

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

SB 1607 - HB 1552

January 30, 2018

SUMMARY OF BILL: Authorizes the Motor Vehicle Commission (MVC) to revoke or suspend the license of a dealer or salesperson who fails to maintain a record of a customer's motor vehicle liability insurance coverage or proof of financial responsibility whenever a temporary license plate is issued to a customer. Requires the record to be maintained in same manner or period of time as record of issuance of temporary license plates.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Authorizing the MVC to revoke or suspend the license of a dealer or salesperson who fails to maintain a record of a customer's motor vehicle liability insurance coverage or proof of financial responsibility will have no significant impact to the MVC.
- Pursuant to the Commission Rule 0960-01-.14, biennial license fees of \$400 and \$35 are imposed on motor vehicle dealers and motor vehicle salespersons, respectively. There will not be a significant number of license revocations or suspensions to result in a significant decrease in fee revenue to the MVC.
- Any increase in consumer complaints or inspection violations due to failing to maintain this new record requirement is estimated to be not significant and can be handled within existing resources of the MVC.
- Pursuant to Tenn. Code Ann. § 4-29-121, all regulatory boards are required to be self-supporting over any two- year period. The MVC experienced a deficit of \$265,344 in FY15-16, a surplus of \$221,695 in FY16-17, and had a cumulative reserve balance of \$2,196,368 on June 30, 2017.
